The Environmental Policy of Company (the "Company") is to ensure so far as it is reasonably practicable that its operations are conducted with a commitment to protecting and enhancing the environment.

Company") is to ensure so far as it is reasonably practicable that its operations are conducted with a commitment to protecting and enhancing the environment.

As a retail business we know that our products, primarily in the protective packaging that our stock is delivered, strive for excellence in every aspect of our business we are committed to minimising the environmental impacts of our retail operation.

products, primarily in the protective packaging that our stock is delivered, strive for excellence in every aspect of our business we are committed to minimising the environmental impacts of our retail operation.

1. Our stated aims are to:

- 1.1 Continuously strive to improve our environmental performance and integrate this into all of my business operations.
- 1.2 Where possible, reduce our environmental resources by
 - 1.2.1 fitting LED lighting
 - 1.2.2 ensuring that all areas are kept empty
 - 1.2.3 working to ensure that there are no high open doors or poorly sealed windows
- 1.3 Measure and take action to reduce the carbon footprint of my business activities.
- 1.4 Recycle all paper products and cardboard.
- 1.5 Recycle all packaging materials such as cardboard, polystyrene moulds and chippings
- 1.6 Only hand out plastic bags if requested by customers if they ask for them, offer reusable bags instead.
- 1.7 Manage waste generation in accordance with the principles of reduction, reuse and recycle.
- 1.8 Comply as a minimum with all relevant environmental legislation as well as any other environmental requirements.
