The Environmental Policy of Company shall be as practicable that its operations will be conducted in a way that does not harm the environment.

<<The Company>> accepts responsibility for the local environment in respect of its business operations (e.g. food, drink, food packaging, wasted food, etc) produced during the preparation of every aspect of our business we are committed to reducing the environmental impact of our business operation.

Our stated aims are to:

- Aim to continuously improve our recycling of the packaging
- Ensure that we encourage our customers to recycle their cartons/cups etc into our bins where possible
- Use biodegradable materials where possible
- Where possible we will use reusable materials
- Manage waste generated from our business through reduction, re-use and recycling
- Recycle all paper products, including newspapers, magazines, etc
- Comply as a minimum with all relevant environmental requirements

This Environmental Policy Statement is approved and endorsed by the management team and is fully committed to their implementation.
