

S A M P L E

The Environmental Policy of Company is to ensure so far as it is reasonably practicable that its operations will be conducted in a manner that does not harm the environment.

As caterers we know that we generate waste. The main causes are food packaging materials, wasted food and food waste (e.g. excess fat or bones from meat etc) produced during the preparation of food. We strive for excellence in every aspect of our business and are committed to minimising the environmental impacts of the business.

Our stated aims are to:

- Aim to continuously improve our recycling of the packaging
- Where possible we will use recycled paper.
- Manage waste generated from our business according to the principles of reduction, re-use and recycling
- Recycle all paper products, in particular food cartons/cups>>. However as we are committed to minimising the environmental impacts of the business
- Comply as a minimum with all relevant environmental legislation as well as other requirements

This Environmental Policy Statement is reviewed and updated as necessary. The management team endorses the policy and is fully committed to their implementation.
