CHF – CS01 Confirmation Statement

From 30th June 2016 companies are required to submit an annual return. Instead of an annual return, companies are required to use Confirmation Statement (CS01) to confirm (and update) similar information at any time during the year. It is a criminal offence not to do this and the company and its officers must file a confirmation statement within the specified time.

We have produced guidance on the Confirmation Statement regarding what a confirmation statement is, how and when it needs to be filed. The contents of the confirmation statement in this sub-folder. Further guidance is available on Companies House website.

This form has been updated by Companies House on 30th June 2017 to reflect the change to the previous obligation to file an annual return. From 30th June 2017, companies must file a confirmation statement once a year in the annual confirmation statement. From 30th June 2017 require a company's PSC information is no longer filed in the confirmation statement. For further details and for the new PSC Registers group of documents for further details and for the new PSC Registers group of documents.
